Ideas for a successful program:

- 1) Choose 20-25 kids grades 3-6
- 2) Cost per student is \$15 – checks made out to Whitney Oaks Golf Club
- 3) At least 1 teacher supervising
- 4) Approximately 3-hours of professional lessons
- 5) Bring your own clubs. Whitney Oaks also has clubs to borrow for class
- 6) Be respectful

This is our 18th year with the Little Thunder Golf Program.
This is the only district golf program in the state of California.

Have fun!!
