- 28th 1st gr to Sacramento Zoo 8:50 to 1:50
Assembly for 3rd- 5th grade 2:00-2:50

Hello Families,

As we move into April and get ready for state testing in May, I want to remind you of a few things that will help your student perform at an optimum level when most classes begin the testing on May 1st and continue testing through May 12th.

- Make sure your student gets plenty of rest and eats a hearty breakfast in the mornings.
- Please make sure that they are on-time to school. If they are late they may be held in the office or sent to another classroom, so as not to disturb the testing process for other students.
- We are going to reward effort! Encourage them to try their best and not give up. They will be given chances to win ice cream toppings for putting in effort and for doing their personal best.
- Go Falcons!! Together we can help them show the state what they truly know and we can get valuable information about what we need to work on with them in the future.

On another note, we are preparing to move into the digital age even further at Antelope Creek. We will officially move to a virtual backpack next year. This means that you will be receiving most of your school mail electronically! This will save the school valuable costs and resources which we should be able to put back into classrooms and programs for your student (s). We will have more information for you on this in the coming months.

April 6th Green Theme

Also, first day packets and emergency information will be taken care of through the new online Aeries parent portal account. You should have received the information needed from the District in September to register for your parent account. We also handed it out at November conferences. If you need your information again please contact the office so we can get you signed up for the portal. Again, all first day packets and information will be done through this portal next year. Sign up now to avoid delays in August with processing this information.

I hope you have a wonderful, relaxing, and fun spring break with your family and friends. Go Falcons!!

Brian Arcuri-Principal

PTA Jog-a-thon April 26th

Information coming
home in Tuesday folders.

Volunteers needed.
Mega cool prizes!!

Sport's Day Friday 4/7

It's story
TIME
@your library™
