- 25th Yearbook club 3:15
- 27th Inside Out/Backwards Day
Intellibricks 3:10-4:40

Dear Families-

One of the most rewarding events of the year is almost here! It is the annual Antelope Creek Pancake Breakfast. Our third grade team along with several other staff members lead this community event and it is a real holiday treat for the whole community. You can pre-order your tickets now, so get those orders into your teacher. All of the proceeds go towards our student leadership clubs on campus. Both the primary and intermediate leadership club members will be on hand running the event. Please come out and join us on December 10th for pancakes, Santa and Mrs. Claus, hot chocolate, and more!

We are working hard to meet our attendance goal of 97% this year. Right now we are at 96.4%. Please help us meet our goal by having the kiddos in school unless they are running a temperature that prevents them from attending. We also want to request your help with not pulling students out of school early unless you have an emergency. When we call into classrooms to retrieve students it interrupts the learning process for all of the students in that classroom. This has become a particular concern on Friday afternoons when we have had a high increase in the number of students being pulled out of school. Please let us know if we can help in any way and we will do our best.

Finally, I hope you all have a restful, fun and safe Winter Break with your family and friends and Happy New Year!! We look forward to seeing you again in 2017! Go Falcons!!

Brian Arcuri-Principal
