- 17th Superhero Dress-up Day
- 20th -24th **President's Week-No School**

Dear Families-

Welcome back to Antelope Creek and Happy New Year from all of us! This is always an exciting time of the year as we start to see some amazing growth with our students as they move into the 2nd and 3rd trimester. Our staff has worked their amazing magic with the kiddos and we are looking forward to continuing the momentum into 2017. We have also had some amazing parents partnering with Ms. Root and helping us with our goal to expand our enrichment programs. New clubs will be starting as we continue to give students opportunities to grow as well-rounded individuals!

Please continue to help us with our goal to keep student attendance high at Antelope Creek. We are trying to meet our goal of a 97% attendance rate and we are sitting at 96% right now. Research on school attendance validates that students who attend school on a regular basis are much more likely to be successful. Let's make a big push this second half of the year to keep everyone in school unless they are ill or have a temperature.

We are up to about 300 subscriptions for our new school application. You can enter "Antelope Creek" in the Apple or Android store and download our application. This is a great way to stay up on all the current "happenings" for Antelope Creek! Make sure you accept PUSH NOTIFICATIONS when you sign up so you get all of my texts.

Finally, do not forget that this month brings our annual TK and Kindergarten information nights. These events give us a chance to give you all of the great information you need about our TK and Kindergarten programs in the District. We look forward to meeting the new Falcons and we always love to share our school program with the public. Please look for information on these nights coming home soon.

Please enjoy your Martin Luther King Jr. holiday on January 16th and have a great January! Go Falcons!!

Brian Arcuri-Principal

**My Hero & Me
PTA Boys Night Out
1/13/17
6:30-9:30**
