Preschool Storytime 9:30-10:00
- 31<sup>st</sup> Wild Things in Library for 1<sup>st</sup> grade 9:00-10:00

Welcome to March at Antelope Creek. We are working hard to make sure that students have the best possible education that can be provided. We hope to continue to partner with you to continue the impressive gains that we are seeing as we move into the third trimester. It is important that we work together by making sure that the lines of communication stay open and you are aware of the progress that your student is making towards their goals. With that being said we are conducting conferences in March. Please make an appointment to talk with your teacher if a conference has been requested.

Our annual Dance Shows are right around the corner as the students have been working hard with their instructors from Fusion Elite and our PE staff to put on a great show on March 8<sup>th</sup> and 9<sup>th</sup>. It is always a fun night and it is nice to see the kiddos cut loose and have some fun with a packed audience. I cannot wait to see all of their talent on display!

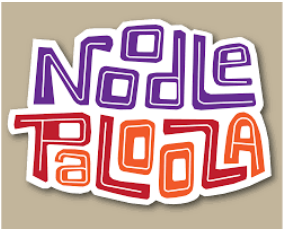

This month the leadership clubs are working on a fun evening called NOODLE PALOOZA! Give yourself a break from cooking dinner and come join us on Friday, March 24<sup>th</sup> for a yummy spaghetti dinner and some community building. If it is anything like their Pancake Breakfast we are in for a real treat! Tickets for this event are on sale now!

I want to thank you all for working hard to get our kiddos healthy and back to school. The last week of February was much better and we are starting to hopefully turn the corner. In fact, last Monday we only had 10 kids absent school-wide! If your child has a temperature please keep them home, but otherwise we want them here with us to work our magic. I hope we can continue to maximize class instructional minutes by having students in attendance, arriving to school on-time, avoiding early pull-outs, and avoiding non-emergency appointments during school hours. Our goal is to get back to an average daily attendance rate of 97%. We are currently at about 95%, so lets all work together to have your students in school daily! Please have a wonderful March. Go Falcons!!!
