Hello Families-

As we finish up the first trimester we look forward to talking with you all at the upcoming parent conference week. During this time we get really excited to share the progress that your children have made and talk about how we can continue to help them grow. The on-line scheduler will be available through November 6<sup>th</sup> so please sign up as soon as you can (password: falcon).

We continue to work on protecting those instructional minutes for our students. As a friendly reminder, if your student has an appointment that is necessary during the school day, they are welcome to attend school before and after the appointment is finished. This will give us a chance to make sure that they do not miss out on the valuable instruction going on in the classrooms. If you need to make appointments we always suggest Monday afternoons as this is an early release day at Antelope Creek and it gives you more time in the afternoon when students are not missing instruction. If you would like information about any of our school schedules they are posted on the Antelope Creek web page.

Please sign up as soon as you can for the new Antelope Creek APP. You can find the app. on both Apple and Android app stores by searching Antelope Creek. Once you download the app. make sure you accept push notifications so you get important texts about what is happening at Antelope Creek!

Finally, we have a busy November filled with lots of great events like the Book Fair! The book fair family night is always a great time where families come and shop for books, enter raffles, and socialize around books. If you haven't heard it is a PIRATE theme this year. Come see how Ms. Fessenden and our wonderful volunteers have transformed the Library. We have some special pirates aboard the SS Falconer ship that you may recognize!

Have a wonderful and restful Thanksgiving break with family and friends. Go Falcons!!!

Brian Arcuri-Principal
