12:55 release
- 15<sup>th</sup> Leadership assembly 8:35
- 18<sup>th</sup> Wacky Hair Day
- 21<sup>st</sup>-25<sup>th</sup> **Thanksgiving Break-No School**

Hello Families-

The chilly weather is on the way and we are just warming up this year at Antelope Creek! We have gotten off to such a great start thanks to all of the great teamwork going on to support our kids. We have staff, parents, and students that have taken on new leadership roles which has led to an increased number of opportunities for our students. As we continue into the Fall I would like to keep up the momentum. Let's continue to come together to take on all of the responsibility we can in support of our kids.

Our annual Fall Carnival is taking place October 21<sup>st</sup> and this promises to be another great time for all. The Carnival is always a time when we can come together as a community and have some good old fashioned fun! We have a fabulous PTA that is working hard to put this all together, but they could use any help or support that you can offer to make it all happen. If you are interested in helping with anything large or small please get in touch with the PTA and offer your support. We look forward to a fantastic night filled with games, food, dancing, and maybe a few surprises!

A few weeks ago I sent home a message regarding some ways that you can help us protect instructional time for all of the students at Antelope Creek. Research is clear that when students are on time and in school that they are successful. It is also clear, that those that have a history of tardiness and poor attendance struggle and have a hard time in school. Please have your student to school on time and in attendance unless you have a true emergency. The California Common Core Standards are rigorous which means that teachers are working hard to give your student the best education possible, but they cannot work their magic when students are not maintaining attendance standards. We also ask that you not request us to call into classrooms during the instructional day to deliver messages, supplies, or to send a student home unless it is a true emergency. When we call into a classroom the learning stops for everyone and has to be picked up again when the conversation is over. We are going to be working hard to protect that time for the students, but we need to come together as a community to make it work. Thanks so much for your help and Go Falcons!!

Brian Arcuri-Principal

**Popcornopolis  
Fundraiser  
10/11-10/25**

**NO SCHOOL  
Monday, October 10th**

**October 21<sup>st</sup>  
4:30-7:00**
