**Make a difference in your child's classroom next year -**

**Become an Art Docent!**

**An Art Docent is a volunteer who presents a collection of artwork to a classroom of children once a month, leads a discussion to open the children's eyes to the wonderful world of art, and conducts a hands-on art lesson based around a central theme.**

**How can I become an Art Docent?**

**If you are interested in presenting art masterpieces to your child's class, please contact your teacher or Rose Bender at [benderrosebry@aol.com](mailto:benderrosebry@aol.com) to volunteer. You will receive training and access to the schools online Art Docent Program with eight lessons for your grade level.**

**We need YOU!**

**The Art Docent Program is a 100% volunteer supported program. This means if a class has no Art Docent volunteer those children will not be able to participate in this enhanced visual arts experience. To find out more about what is involved in being an Art Docent please contact Rose Bender at [benderrosebry@aol.com](mailto:benderrosebry@aol.com).**
