

# LEGO® ROBOTICS CLASSES

Location: Antelope Creek Elementary School, Class Room: Library

**LEGO® Robotics: WizardBots:** Fly in the magic carpet, capture the 2 headed ogre or ride the dragon! In this class children will build working Lego models that mimics whimsical creatures and contraptions. In the process kids learn to use motors, sensors, gears, axles, pulleys etc. and understand the concepts behind them. They also program the models to make them move and interact with the environment.

**LEGO® Robotics: GameBots:** Trip to a carnival is always fun! A game of ring toss, a ride of go-kart, duck hunt or just dancing! Who wouldn't want it? Come join us to build Lego models that mimic carnival games and have some fun while learning all about robots, programming, sensors and engineering concepts like rack and pinion, pulley and wheels, gears, cams etc.

*IntelliBricks will provide all Lego® and touch screen computers for the camp. Children cannot take home any of their creations or Lego® products. Lego® group of companies does not sponsor, authorize or endorse any of*

*our programs.*

Session Name	Age	Friday	Cost
