Leadership assembly 8:35
- 7th Leadership club afterschool

Dear Families-

We are in full swing with our new year at AC. In case you have not heard we are utilizing a new English Language Arts program called Benchmark. This program has a lot of great features including integrated subject matter, strong and rigorous vocabulary and writing components, and lots of great resources for conducting small group reading in the classroom. As we build more and more expertise with the program we are excited to see that students are enjoying the content and challenge of the new program. Talk with your student about the new program and get them to share the fun learning activities that are part of it every day at Antelope Creek!

Exciting news on the attendance front and a BIG thanks to all of you from all of the staff.Antelope Creek attendance was up this last reporting period from this same time last year! Please continue to assist us with our goal of a 97% attendance rate. We are rewarding students and classrooms for attendance gains and judging by this first piece of data, it is working. We also want to ask that you help us keep student learning as a top priority by making sure they are not getting pulled out early, that they are not arriving late to school, and that they are not going on vacations when school is in session. Together we can all make sure that the classrooms are a protected learning environment for all students.

We are also full into our new PBIS program at Antelope Creek. We are all working hard to be consistent with CARES. This means that you are Courteous, Achieve goals, Responsible, giving your best Effort, and Safe. We have defined what that looks like in specific areas of the campus, such as the playground, cafeteria, and bathrooms. We also have our CARES color mascots all over the school demonstrating the behaviors and keeping an eye on everyone!

Please have a great October and Go Falcons!!

Brian Arcuri-Principal

Coming
Friday, 10/20/17

Please be sure to check the lost and found for any missing items before the Thanksgiving Break, as it will be gathered up and donated.
