- 30th Leadership assembly 8:45
- 31st 3rd – 6th Leadership club 3:00-3:45

Dear Families-

As we begin another year at AC I just wanted to take a moment to recognize the great families that support us every year. At Back to School Night I had the pleasure of walking through the campus with our Superintendent Roger Stock. I found myself stopping and introducing him to family after family of individuals who give so much to AC. At one point I was so proud to be able to have him meet all of you and to recognize the contributions you make to our school. Thank you all for your continued partnership in service of our students as we begin another year.

This year you will notice that we have a new English Language Arts program at Antelope Creek. Teachers began training last year and have been introducing the program to students these first few weeks of school. The new program is rich in new reading selections and features a lot of small group reading opportunities with the teacher. It also features a lot of integration of social studies and science topics and many other non-fiction selections. We are excited to really dig into the heart of the material next week!

The PTA is starting their major fundraiser for the year this week. They will be working with MIXED BAGS to bring you a selection of products that will make transporting your goods and possessions a whole lot easier! This is their big fundraiser for the year and helps to support field trips, class supplies, staff recognition, and bring special programs to the campus. Please help us to raise as much as we can so we can give back to the community and support all of these wonderful programs that enrich the educational experience for your children.

I wish you all a great September and please let us know if we can help in any way. Go Falcons!!

Brian Arcuri-Principal

Coming
Friday, 10/20/17

Picture Day
September 22nd

The
Leader in Me™

great happens here

Assemblies this year are
Mondays @ 8:45

<http://aces.rocklinusd.org>
