

2022 LITTLE THUNDER BASKETBALL

AT ROCKLIN HIGH SCHOOL

The goal of this league is to teach boys and girls in grades K-4 the offensive and defensive fundamentals of basketball. We will also work to develop an enthusiasm for the game, good sportsmanship, and a positive attitude. All participants will receive instruction, 5 vs 5 games, a t-shirt, and a custom basketball. All games and practices will be on 8-ft. baskets for grades K-4 (Girls), K-2 (Boys) and 10-ft baskets for grades 3-4 (Boys). **Every Saturday each team will be scheduled for a 75 minute session. This session will be broken up into a 45 minute practice and a 30 minute game.** There are no practices during the week.

The RHS Coaching Staff will organize the practices and the drills will be run by the RHS coaches and players. The games will be officiated by RHS Coaches and the RHS Basketball Players will coach the teams. This format offers an opportunity to build relationships between our high school players/coaches and the young people and their families in the Rocklin community. **Teams will be made up according to grade level and elementary school. All practices & games will be on Saturdays at RHS.** During the 5 weeks of Little Thunder Basketball, we believe your child will improve their basketball skills, get to know some of our RHS players, and have a lot of fun.
