Antelope Creek Elementary School - Brian Arcuri, Principal

Hello Families-

We are well on our way to our first parent conferences of the year. This is our chance to report all the progress and growth that your child has made in just a few months time! We want to encourage you to come in and have a dialogue with us about how we can help your child be successful. We have seen that you are all dedicated to their learning at home and we have also noticed the increased number of volunteers who consistently contribute to our daily program at Antelope Creek. Please contact us in the office if you still need to schedule a conference next week and we will be happy to help.

I am so proud of the wonderful progress that staff and students have made in turning this campus into a place that identifies, nurtures, and celebrates the leadership potential in all of our students. Working as a team we were able to achieve GOLD status from the state of California for our PBIS program at Antelope Creek. This recognition is a testament to you as families, our dedicated staff members, and our community stakeholders. Although we are not perfect, we are continuing to strive that all of our students are practicing CARES in every setting of our campus daily.

Finally, we continue to ask for your assistance in getting your children to school on time and not taking them out of school unless they are sick or you have an emergency. NOTHING can replace the hours that your children spend in the classroom with their teacher. We want to take advantage of every instructional minute available. Remember our goal is to raise our overall attendance percentage to over 96.5% this year. Let's work together and meet our goal so all of our students have the benefit of the best possible education they can get!

Go Falcons!!
Brian Arcuri

PBIS NEWS

Each year the California Positive Behavioral Interventions and Supports (PBIS) Coalition recognizes schools for their quality and fidelity of PBIS implementation. Schools are eligible to receive awards at the bronze, silver or gold level of distinction. Due to the efforts of students and staff, we at Antelope Creek, are proud to have received the Gold Implementation Award for the 2018-19 school year. Stop by the office to see the beautiful plaque we received to commemorate this distinction.
