

# TaleFeathers

**Antelope Creek Elementary School - Brian Arcuri, Principal**

Hello Families-

We are off to a great start and gaining momentum as we head into the Fall at AC! I want to thank everyone for your support of our students and for always making sure that we work together to make Antelope Creek a place where students can thrive daily!

I am very proud of the students who are practicing CARES on campus and of all the work the community has put into Positive Behavioral Intervention and Supports (PBIS). It was recently announced that Antelope Creek was awarded GOLD STATUS by the state of California for our work with students! Congratulations to our whole staff led by Ms. Springsteen (Tier 1 Coordinator) and Ms. Schallmo (Tier 2 Coordinator) for this recognition. We also want to thank all of our parents and stakeholders for their continued support with all of our students and know we could not do it without you. We will be attending a state ceremony to receive our award this Fall. We will continue to send home information about our PBIS efforts on campus, but please talk with a staff member if you have questions. We also have a lot of great information we can provide in the *Parent Corner* in the office.

I would also like to ask for your continued support with campus safety and security as we move into the regular routines. Please make sure to model positive citizenship for our students when you are moving on and off campus. We have set up routines to get people on and off campus as safely and swiftly as possible, but we need to make sure to all follow the same expectations to make it work at an optimal level. Please follow traffic safety procedures/laws, school routine and rules, and be courteous with each other so we can all make it work daily for our community. On another safety note we now have cameras installed around the campus. This is part of the safety commitment that the Rocklin Unified School Board made last year. If you look up at some of the buildings you will notice the cameras which should be fully operational in a matter of weeks.

Thank you all for your commitment to attendance this year. We have noticed that students are here more consistently and on time. This will guarantee that your child has the best possible education that we can offer! If they are here on time and consistently the research shows that they are much more likely to be successful scholars and citizens. Please continue to partner with our all star staff to have your student here at school so they can work their MAGIC!

Have a great September and GO FALCONS!

Brian Arcuri-Principal

**Friday  
Sept. 13th  
after  
school**

**Leadership Club Meetings**  
Wednesday 9/11 & 9/25

## Important Safety Reminder

**We'd like to remind all of our families about the importance of ensuring the safety of all of our community members. We also need to be courteous to our neighbors during drop-off and pick-up. Traffic laws should be obeyed at all times, please follow crossing guards' prompts, and we should not be blocking the driveways of any of our nearby homes or apartment complexes. This is not only out of respect for our neighbors, but for the safety of our children. Thank you.**
