

# Annual Fall Garden Clean-Up

## Sat. Sept. 30th 9-11 a.m.

What we are planning to do:

- Trimming back the bushes and grapevines
- Tearing out the summer beds
- Weeding the beds for fall planting
- Adding compost to the beds.

Bring gloves, hand trimmers, and rakes. We have both adult and child size gloves if you need to borrow some. We have 2 hand trimmers and one large hand trimmer (lopper). We also have 2 rakes and several shovels.
